Continuity Link - BCM Foundation

Regus - Albert & Metcalfe

116 Albert Street, Suite 200 & 300

Ottawa, ON K1P 5G3

From 9am to 5pm

<http://www.continuitylink.com/public/en/contact-us>, 1 514 572 4517

This five-day intensive course enables participants to develop the necessary expertise to support an organization in implementing and managing an Information Security Management System (ISMS) based on ISO 27001:2013. Participants will also gain a thorough understanding of best practices used to implement information security controls from all areas of ISO 27002.

This training is consistent with the project management practices established in ISO 10006 (Quality Management Systems - Guidelines for Quality Management in Projects). This training is also fully compatible with ISO 27003 (Guidelines for the Implementation of an ISMS), ISO 27004 (Measurement of Information Security) and ISO 27005 (Risk Management in Information Security).

September 28, 2017
- September 29, 2017

Continuity Link - BCM Business Impact Analysis

Regus - Albert & Metcalfe

116 Albert Street, Suite 200 & 300

Ottawa, ON K1P 5G3

From 9am to 5pm

<http://www.continuitylink.com/public/en/contact-us>, 1 514 572 4517

The Business Impact Analysis (BIA) is the foundation on which to build an organisation-wide Business Continuity Management System. The instructor will walk participants through all the steps associated to completing a BIA.

This course is designed around a tried and true BIA model providing the participants with the methodology, the associated tools and the confidence required to complete a thorough Business Impact Analysis

Business [Un]Usual: Profit from Purpose

Toronto

**Beanfield Centre, Exhibition Place,
Toronto, ON M6K 3C3**

8:15 - 4:45

Robyn Mia, 613 526 3090 ext 445

mia@conferenceboard.ca

The world is facing political, social, environmental and technological transformations that create profound risks for businesses operating in Canada.

Learn how to navigate these changes, mitigate the risks, and capitalize from the opportunities these transformations may bring at Business [Un]Usual: Profit from Purpose conference on October 2-3, in Toronto.

Conference topics include:

*the critical forces impacting Canadian business over the next three years, including data, transparency, increasing politicization in business, climate change, resource-use innovation and more how different stakeholders, from investors to consumers, view these forces, and business responses
how to develop proactive, successful responses to outside changes
how to persuade others in the business to follow*

For the agenda, please visit our website.

Save \$200 on your registration!

Make sure to complete your registration online before August 16th and save! Your priority code when registering is EBUGW. If you need to wait for approval, email me directly to hold this rate.

I hope to see you at this important event.

All the best,

Robyn Mia

613-526-3090 ext. 445

October 30, 2017
- November 3, 2017

ISO 22301 BCMS Lead Implementer (ISO22301-LI)

Regus - Albert & Metcalfe

116 Albert Street, Suite 200 & 300

Ottawa, ON K1P 5G3

From 9am to 5pm

<http://continuitylink.com/public/en/contact-us.php>

This five-day intensive course enables the participants to develop the necessary expertise to support an organization in implementing and managing a Business Continuity Management System (BCMS) based on ISO 22301. The participants will also gain a thorough understanding of best practices used to implement Business Continuity processes from the ISO 22399.

This training is consistent with the project management practices established in ISO 10006 (Quality Management Systems - Guidelines for Quality Management in Projects). This training is fully compatible with BS 25999 (Business Continuity Management Specification) and ISO 27031 (Guidelines for information and communication technology readiness for Business Continuity).

November 6, 2017
- November 10, 2017

ISO 22301 BCMS Lead Auditor

Regus - Albert & Metcalfe

116 Albert Street, Suite 200 & 300

Ottawa, ON K1P 5G3

From 9am to 5pm

<http://www.continuitylink.com/public/en/contact-us>, 1 514 572 4517

This five-day intensive course enables the participants to develop the needed expertise to audit a Business Continuity Management System (BCMS), and manage a team of auditors by applying widely recognized audit principles, procedures and techniques. During this training, the participants will acquire the needed knowledge and skills to proficiently plan and perform internal and external audits in compliance with ISO 19011 and certification audits according to ISO 17021. Based on practical exercises, the participants will develop the skills (mastering audit techniques) and competencies (managing audit teams and audit program, communicating with customers, conflict resolution) necessary for efficient conduct of an audit.

This training is compatible with BS 25999 audit (Business continuity management specification) and ISO 27031 (Guidelines for information and communication technology readiness for business continuity).

November 6, 2017
- November 10, 2017

ISO 27001 ISMS Lead Implementer

Regus - Albert & Metcalfe

116 Albert Street, Suite 200 & 300

Ottawa, ON K1P 5G3

From 9am to 5pm

<http://www.continuitylink.com/public/en/contact-us>, 1 514 572 4517

This five-day intensive course enables participants to develop the necessary expertise to support an organization in implementing and managing an Information Security Management System (ISMS) based on ISO 27001:2013. Participants will also gain a thorough understanding of best practices used to implement information security controls from all areas of ISO 27002.

This training is consistent with the project management practices established in ISO 10006 (Quality Management Systems - Guidelines for Quality Management in Projects). This training is also fully compatible with ISO 27003 (Guidelines for the Implementation of an ISMS), ISO 27004 (Measurement of Information Security) and ISO 27005 (Risk Management in Information Security).

November 6, 2017
- November 10, 2017

ISO 27001 ISMS Lead Auditor (ISO27001-LA)

Regus - Albert & Metcalfe

116 Albert Street, Suite 200 & 300

Ottawa, ON K1P 5G3

From 9am to 5pm

<http://www.continuitylink.com/public/en/contact-us>, 1 514 572 4517

This five-day intensive course enables the participants to develop the expertise needed to audit an Information Security Management System (ISMS) and manage a team of auditors by applying widely recognized audit principles, procedures and techniques.

During this training, the participants will acquire the necessary knowledge and skills needed to proficiently plan and perform internal and external audits in compliance with certification process of the ISO/IEC 27001 standard. Based on practical exercises, the participants will develop the skills (mastering audit techniques) and competencies (managing audit teams and audit program, communicating with customers, conflict resolution, etc.) necessary to conduct an audit efficiently.
