*The Walk for the Animals-Paws in the Park is the second largest fundraiser of the year for CAHS, with proceeds used to save the lives of pets in Mid-Michigan. The fundraiser is simple: walkers register as individuals or part of a team and collect donations from friends, family, neighbors, etc., who want to help the homeless pets of CAHS. Then, walkers and dogs gather for a fun-filled day of activities at the Walk including trick-or-treating for attendees and dogs, a doggy costume contest, cider and donuts, demonstrations, vendors, Yappy Hour, and more. Participants also collect prizes for reaching certain fundraising levels.*
