

# Calendar of Events

May 21, 2025  
- November 30, -0001

**Federal Action Updates and IWWSG SC Voting**  
**100 South Chop House & Grill**  
**100 South York Road**  
**Elmhurst, IL 60126**  
05:00 PM - 08:30 PM EST  
*Federal Action Updates and IWWSG SC Voting*

*Erika Powers*

*Partner, Environmental Department, Barnes & Thornburg, LLP*

*Erika's focus is on water quality-related environmental issues for municipalities, industries, and trade associations, from development of federal and state regulations and policies to enforcement of water quality standards, combined and sanitary sewer overflow requirements, wet weather management, green infrastructure, sustainability, ESG issues, and wastewater discharge permits for clients across the country. For a complete biography, please click [HERE](#).*

*Erika Powers will give a presentation that provides an update on federal level – funding, staffing, PFAS developments, the San Francisco opinion (regarding administration of NPDES permits), tariffs, and others.*

*If you are interested in how it will affect your industry, you'll want to join us!*
