CCA Exam Training Workshop 2025
Young Brothers Seed Technology Laboratory
2380 Research Park Drive
Brookings, SD 57006

08:30 AM - 03:30 PM CST

This one-day workshop will feature a review of technical information around each of the four CCA categories: Nutrient Management (NM), Soil and Water Management (SW), Integrated Pest Management (IPM), and Crop Management (CM). We will also discuss the best strategies for test taking and how to prepare for the exam.

June 18, 2025

Elevator Safety, Maintenance and Regulatory Compliance Seminar
Highland Conference Center
2000 Highland Way
Mitchell, SD 57301

08:00 AM - 03:00 PM CST

Liv Stavick, (605)290-9202

liv@sdaba.org

SDABA will host its first Elevator Safety, Maintenance and Regulatory Compliance Seminar on Wednesday, June 18 at the Highland Conference Center in Mitchell. The event will feature presentations from the National Grain and Feed Association, OSHA, elevator equipment manufacturers, and safety professionals.

The event is geared for grain facility managers, assistant managers, and safety directors, but is open to all grain elevator owners and employees.
