Enhance Customer Service Through Digital Transformation

Zoom

9610 Long Point Road

Houston, TX 77055

02:00 PM - 03:00 PM CST

Jesus Azanza, 713-784-5462

Jazanza@caihouston.org

Join us for a webinar where community association management expert, Joe Saldaña, will discuss the digital transformation and how we can look at it through the eyes of homeowners. He'll also review available technologies that both streamline management and delight your customers, the homeowners.

Speaker: Joe Saldaña, Staff Product Manager, AppFolio

Joe Saldaña is a Staff Product Manager who has spent the last decade building software to positively impact it's users. He currently leads the homeowner experience initiative within the Community Association market segment, leveraging AppFolio as a platform to connect communities and enable stellar experiences for community managers and the residents they serve.
