November 12, 2019

**Learn from Valencia McClure's Life . . . An Inspirational Story - November CPWN Lunch
Marland Golf and Country Club
1335 E. Macphail Road
Bel Air, MD 21015**

11:30am - 1:30pm

Valencia McClure, Vice President of Governmental and External Affairs for Baltimore Gas and Electric (BGE), an Exelon Company, is a leader and force to be reckoned with in both her professional and personal life. Earlier this year she was named one of Savoy Magazine's 2019 Most Influential Women in Corporate America. Last year, she led her company's team as the executive sponsor for their Cause Initiative to raise \$275,000 benefiting Susan G. Komen Maryland. As she nears three years of being cancer free, Valencia joined Susan G. Komen Maryland Board of Directors in hopes of having a greater impact on the fight against breast cancer.

This November, Valencia will be the keynote speaker at our CPWN luncheon on November 12 at the Maryland Golf & Country Club, where she will share her experience with breast cancer and the impact it has made on her life, personally and professionally.
