*The Ontario Ground Water Association will host its fifth annual golf tournament to raise funds for the annual scholarship awards for graduates of Fleming College's resources drilling and blasting program. Each year the OGWA disperses awards and bursaries to student recipients at Fleming College.*

*"It is important to recognize the academic achievements, year to year, of deserving students and welcome them into the ground water community," said Paul Conrad of the Association's Board of Directors.*

*If you are unable to attend, please consider supporting the industry's next generation by making a donation through the OGWA office.*
