Kristin Rhine, 5174101246  
kerhine@gmail.com  
*On Saturday, April 24, 2024, from 10 am to 2pm, JCI Lansing will be back to volunteer at Turning Point Donkey Rescue, over in Dansville, MI. This will be the first of two days designated to TPDR. We thought this would be a unique experience for our members and brings light to an organization that is doing amazing work for these animals that come from a sad situation. TPDR has over 200 mules, donkeys, and miniature ponies. Some of the duties of volunteers include cleaning shelters, grooming, feeding, and socializing the donkeys. Prospects, current members, exhausted roosters, and encouraged to come! If you would like to learn more about TPDR and their efforts, visit the below link.*
