Ohio Section AWWA - Fernald Nature Preserve Tour

02:00 PM - 04:00 PM EST

Ohio Section AWWA Young Professionals will proudly be hosting a facility tour of Fernald Nature Preserve in Hamilton, Ohio on Tuesday, June 7th, 2022 from 2:00 PM to 4:00 PM. Two Ohio EPA contact hours for water / wastewater will be available for this free event! An after-tour social at a local restaurant will follow, with location to be announced.

You can register at this link: <https://oawwa.org/events/EventDetails.aspx?id=1634887>.

For those unfamiliar with the site, Fernald produced high-grade uranium-metal products for the nation's nuclear weapons program. It was the site of a \$4.4 billion dollar plus clean-up effort. As part of the tour, we will be visiting Fernald's Converted Advanced Wastewater Treatment Facility (CAWWT) and learn about its operations, as well as groundwater remediation efforts.

Additional background information can be seen here. We expect this to be a popular event, so please register early! Registration closes June 1st.

For more information on Ohio Section AWWA YP, please click here: https://oawwa.org/page/yp_comm.

If you have any questions, please contact Megan Shortridge at Megan.Shortridge@epa.ohio.gov and Candice Taylor at taylorca@mcoho.org.
