

Calendar of Events

- December 16, 2025 **Emergency Action Plan Basics**
West County Safety House
13790 Manchester Rd
Manchester, MO 63021
11:30 AM - 01:30 PM CST
Darcie Carney, 314 884 4254
boma@bomastl.org
Learn the foundational five components of an effective Emergency Action Plan - Prevention, Mitigation, Preparedness, Response, and Recovery - through real-world examples and best practices pulled straight from today's commercial buildings.
- December 17, 2025 **COMMITTEE: Community Outreach**
09:00 AM - 10:00 AM CST
Darcie Carney, 314 884 4254
boma@bomastl.org
The Community Outreach Committee is starting to plan the calendar of outreach activities for 2026! Join the committee . . . meet fellow BOMA members and help shape BOMA's outreach to the community!
- January 9, 2026 **New Member Coffee**
COMA Coffee
1034 S. Brentwood Blvd.
St. Louis, MO 63117
08:00 AM - 09:00 AM CST
Darcie Carney, 314 884 4254
boma@bomastl.org
Join BOMA board members and committee chairs for a cup of coffee and a conversation about BOMA St. Louis, how to engage and get involved with committees, learn about upcoming programs and events and sponsorship opportunities. Space is limited for each session, but there are multiple dates to choose from! Select the one that fits your schedule the best.
- January 15, 2026 **Monthly Luncheon: Market Forecast Panel**
Ritz Carlton
100 Carondelet Plaza
Clayton, MO 63105
11:30 AM - 01:00 PM CST
Darcie Carney, 314 884 4254
boma@bomastl.org
What can the real estate industry expect in the coming year? Our panel of experts will share local perspectives during a roundtable conversation about what is taking place in the St. Louis region and share their thoughts on what's ahead in 2026.
- January 21, 2026 **WEBINAR: CISA Active Shooter Preparedness**
10:00 AM - 12:00 PM CST
Preparing for a potential active shooter incident is a crucial component of incident response planning. Given that these situations are dynamic, frequently unpredictable, and can escalate rapidly, understanding the appropriate actions to take during an active shooter event can be lifesaving. Every second counts.
