

Calendar of Events

- September 24, 2024 **Concrete Pipe Week - ASCE Precast Plant Tour**
9405 Alton Ct.
Henderson, CO 80640
09:00 AM - 10:30 AM MST
Join us for Concrete Pipe Week, hosted by ASCE, by attending a precast plant tour at the Rinker facility, available from September 24-25, 9-10:30 am. This free, hour-and-a-half tour, led by John Plauche, Social Chair of ASCE, and Jerome Cech, Engineering Manager, offers a unique opportunity to observe the manufacturing of reinforced concrete pipe, box culverts, manholes, inlets, flared ends, and more. PDH (Professional Development Hour) credits for PE's are offered. Don't miss this chance to gain valuable insights into the concrete production process. Please sign up for the day that suits you best, and Einstein bagels will be provided during the safety video. Please reach out to John.plauche@rinkerpipe.com if you would like to attend a plant tour on a separate day.
