## **2026 Annual Conference and Tradeshow**

**ilani Resort & Casino**

**1 Cowlitz Way**

**Ridgefield, WA 98642**

08:00 AM - 04:30 PM PST

*ERWoW encourages Operators, Utility Board Members, Mayors, Council Members, Public Works Directors, and other leaders to attend our conference. We have specific classes scheduled to help officials in their responsibilities as managers of their community's most important assets. It is imperative that today's leaders have a firm understanding of their role in their water and wastewater utility systems. Please plan on attending!*

*You can typically earn up to 1.6 CEUs in water and wastewater!*

*Costs: ERWoW Members \$375 / Non Members: \$450*

*After January 23, 2026 a \$50 late fee is added to all registrations*

February 10, 2026  
- February 11, 2026

## **2026 Annual Conference and Tradeshow- Exhibitor Registration**

**ilani Resort and Casino**

**1 Cowlitz Way**

**Ridgefield, WA 98642**

11:00 AM - 05:30 PM PST

*The Evergreen Rural Water Annual Conference is designed to help the water and wastewater professional stay on top of important issues within the industry. The conference sessions are where attendees learn about the most recent developments in the industry. These professionals from all over the state will be in Kennewick to learn as much as they can about the latest techniques and new technology and ever changing regulations.*

*Make certain you are there, too.*

*You can be sure the exhibit hall is on everyone's agenda during the conference. This is where attendees meet with manufacturers, consultants and service providers to review the newest products and services in the industry. This is your chance to visit with and personally meet the operators, managers and/or decision makers from most smaller utility systems in Washington. Don't be left out!*

*Costs: ERWoW Members: \$600*

*Non Members: \$900*

February 17, 2026  
- February 18, 2026

## **Cross Connection Control Specialist Exam Review (2 days)- Virtual**

08:30 AM - 04:30 PM PST

*At this 2-day course, we will review the information needed to prepare the attendee for the CCCS Exam. We will discuss how cross connections affect public health, the potential risks and liabilities, how to conduct surveys and carry out enforcement actions, the two types of hydraulic condition which cause backflow, and backflow prevention assemblies and their applications.*

*Taught by Backflow Management Inc*

*CEUs: 1.4 CEUs Water*

*Costs: Members \$225 / Non Members \$300*

*\*Class will close 1 week before starting date*
