- September 10, 2026

## **2026 IAFIE Europe Annual Conference at Brunel University London**

Time TBA

*Registration for the International Association For Intelligence Education (IAFIE) Europe Annual Conference 2026 will open to all delegates on 5 March.*

*The conference takes place between 8-10 September 2026 at the Brunel Centre for Intelligence and Security Studies (BCISS) at Brunel University London. You can find out more about our hosts here: <https://lnkd.in/gzEMBaRy>*

*Brunel University is only 15-minutes' drive from London Heathrow Airport (LHR), the UK's largest, and is easily accessible by public transport. It is located in Uxbridge, an area benefiting from a range of hotels, restaurants, and other amenities. Central London is 45 minutes by train, and there are numerous local attractions, for example Windsor Castle is less than 30-minutes' drive.*

*The vast majority of our conference delegates will find access to the United Kingdom to be low-friction, requiring only an Electronic Travel Authorisation. However, others may require a visa. You can find out more details here: <https://www.gov.uk/eta>*

*We hope you agree that this conference combines important topics in intelligence education with a world-class location conveniently located near world-renowned sites.*

*IAFIE Europe is excited to announce that we have acted on your feedback and now have our own dedicated portal which affords a quick, easy, and seamless conference registration experience. We would like to extend our thanks to our sponsor, IAFIE member Praesagia Threat Management, for hosting this free of charge. You can now register, pay, and store all your delegate documents securely on our portal.*

*To find out more and register for the conference please go to our website at: <https://iafieeurope.org/events/annual-conference/iafieeurope-annualconference-2026>*
