Please join us for an inspiring evening as we come together to share how Impact100 Atlanta is transforming our community through the power of collective giving.

In just four years, we've awarded more than \$1 Million in high-impact grants to eleven local nonprofits, addressing critical needs in Atlanta's most underserved communities. Together, we empower women as philanthropists and changemakers to create meaningful and lasting change in our community.

We have set the goal to Fund 5 Grants in Year 5. Reaching this goal will allow us to award \$100,000 grants in every one of our five focus areas: Arts & Culture; Education; Environment, Recreation & Animal Welfare; Family; and Health & Wellness.

Please join us! Space is limited, so registration is required.
