

Calendar of Events

- May 20, 2024 **Webinar: Science and Advocacy**
ISEE
12:00 PM - 01:00 PM EST
The focus of this webinar is to delve into real experiences of scientists who navigate the balance between engaging in advocacy campaigns and maintaining credibility in their roles as scientists.
- May 20, 2024 **Skills for Health and Research Professionals (SHARP) Training**
- August 23, 2024 See individual event details
Columbia University Mailman School of Public Health - Skills for Health and Research Professionals (SHARP) Program
Registration is now open for 30 hands-on summer boot camps designed for health and research professionals from any organization and all career stages! Learn immediate take-away skills directly from the experts over 1-4 days this summer. Training formats are either in-person in NYC, livestream, virtual over Zoom, or a hybrid mixture. See training topics and dates below, and check out the official flyer with all 2024 topics to share with your colleagues.
- June 5, 2024 **ISEE Europe Young and Early Career Researchers Conference**
- June 7, 2024 Time TBD

This meeting offers an outstanding opportunity for researchers in environmental epidemiology to exchange ideas, foster scientific collaborations, meet new and old colleagues from the field, and of course, have a nice time!
- June 23, 2024 **ISEE-AWPC & ISES-AC Joint Conference Unveiling the Impacts of Climate Change on Health**
- June 26, 2024 Time TBD
- June 24, 2024 **Webinar: Better Presentations with Dr. Patricia Hunt**
ISEE
12:00 PM - 01:00 PM EST
Slide presentations are common for presenting science, but some researchers find it difficult to create compelling, easy-to-understand slide decks for non-scientist audiences. This webinar will offer guidance on best practices for structuring slide presentations, selecting color schemes and providing messaging advice.
