February 11, 2026 - February 15, 2026	<b>NAAS-AJAS Conference - Phoenix, AZ</b> All-Day
February 27, 2026	<b>February 2026 Academy Chat</b> 03:30 PM - 05:00 PM EST <i>February 2026 Academy Chat: The Honest Broker Approach to Science Advising for Academies of Science</i> <i>February 27, 2026   3:30-5pm ET   12:30-2:00pmPT</i>  <i>Join us for a session led by Dr. Rachel Owen, the founder of MOST Policy Initiative and nationwide advisor for state-level science policy programs. This conversation will focus on the honest broker approach to science policy advising.</i>  <i>This session will delve into actionable strategies, empowering scientists to actively contribute to informed policy decisions. State lawmakers often work part-time with variable research support. In this conversation styled session, we will explore practical approaches to bridge the science-to-policy gap, with an emphasis on unique approaches available to academies of science.</i>  <i>Register to learn more about the honest broker approach to policy advising and engage in a conversation with your colleagues from across the country.</i>
