

## Calendar of Events

---

- June 1, 2026 **Member Services Committee**  
03:00 PM - 04:00 PM EST  
*Member Services Committee meets monthly on the 1st Monday at 3pmET. If interested in joining the NAAS Member Services Committee, contact admin@academiesofscience.org for more details.*
- June 19, 2026 **June Academy Chat: AJAS Program Alumni Panel**  
03:30 PM - 05:00 PM EST  
*Join us for a panel session focused on junior academies of science alumni from across the country. If your academy is interested in sending students to the American Junior Academy of Science, this chat is for you.*
- This panel, featuring Eleanor Sigrest, Chase Bishop, Caroline Karbowski, and Michael Skibsted is intended to be a resource for understanding the experience of junior academy students as well as a venue for featuring the unique stories of scientists who have attended AJAS in the past. This session will also feature extensive Q&A with panelists, so bring your questions if you have never attended an AJAS.*
- Register below to engage in a conversation with AJAS program alumni and your colleagues from across the country.*
- June 24, 2026 **Governance Committee**  
11:00 AM - 12:00 PM EST  
*Governance Committee meets monthly on the last Wednesday at 11amET. If interested in joining the NAAS Governance Committee, contact admin@academiesofscience.org for more details.*

July 24, 2026  
- July 25, 2026

### **NAAS Leadership Summit 2026**

All-Day

*NAAS is launching a new event for 2026: the NAAS Leadership Summit, taking place July 24–25 in Chicago, Illinois, in advance of the NCSL conference. This free, two-day gathering is designed to bring together academy leaders from across the country to connect, share strategies, and strengthen the network. Registration is now open. Each dues-paying member academy may send up to two representatives, and those current on dues are eligible for travel support for one attendee. This is a new opportunity to engage directly with peers and shape the future of the NAAS community. Learn more and register.*

November 6, 2026  
- November 7, 2026

### **Kentucky Academy of Science Annual Meeting**

All-Day

*Kentucky Academy of Science Annual Meeting*

*The Kentucky Academy of Science will hold its Annual Meeting November 6–7, 2026, in Murray, Kentucky. The event brings together more than 500 scientists from across the state and region for research presentations, networking, and professional engagement. Attendees can present a poster or talk, connect with colleagues and graduate programs, and hear from a keynote speaker while visiting the Murray State University campus. Abstract submission opens September 1 and closes October 1. Learn more.*

February 17, 2027  
- February 21, 2027

### **AJAS 2027**

All-Day

*Save the Date: AJAS 2027*

*The American Junior Academy of Science will hold its 2027 meeting February 17–21 in Chicago, Illinois. Additional details and registration information will be shared soon.*
