In Oklahoma, foodservice establishments in mandated counties are required to have at least one employee who holds a Managers Certification. If you have never had a certification, your certification has expired, or you need to re-test, the ORA can help!

ServSafe® Training

The ServSafe® certification courses are held from 8:30 a.m. - 5:00 p.m., with lunch provided. Upon receipt of your completed registration form and payment, the ORA will send you the new ServSafe® textbook. The last hour of the class is dedicated to taking the necessary exam, which includes 90 multiple-choice questions. You must make 75% or greater to pass the test. Completed exams will be sent to the National Restaurant Association's Educational Foundation for grading. ServSafe certificates are no longer being mailed out. They will now be available for download 5-7 business days after testing on ServSafe.com.

ServSafe® Re-Certification

The ServSafe® re-certification courses are held from 8:30 a.m. - 1:00 p.m. In order to be eligible for re-certification you must be within 30 days of the expiration date on your ServSafe Certificate.

Lunch is not included in this registration. Testing will begin immediately following the first half of the class. After testing is complete, all students are welcome to purchase a lunch.

ServSafe® Re-Test

Retests for ServSafe certification are held from 8:30 a.m. - 12:00 noon, and may be taken within one year of the initial exam and only after providing the date of the failed initial exam. An examinee may take the examination twice within a thirty day period, if necessary. If a third attempt is required, the examinee must wait at least sixty days from their last attempt. Lunch is not included in this registration.
