September 23, 2025 - February 10, 2026	Wastewater Basic Course NW Section (Wapakoneta WWTP) Wapakoneta WWTP 201 Herbstritt Ct. Wapakoneta, OH 45898 04:30 PM - 07:30 PM EST OWEA Office, 614-488-5800 admin@ohiowea.org <i>This class is meant to aid entry level operators in obtaining their Wastewater License and in becoming great operators. The course is based off of the WEF Wastewater Fundamentals I & II. Additional materials have been created by an experienced group of wastewater professionals. There will be required reading outside of the weekly in person class.</i>

Experience credit through OEPA is pending.

There are a minimum of five students required for this course to occur. If this minimum isn't met this course will be cancelled and registered students will have the option to transfer to another course or receive a refund.

Each course has a maximum of 20 students.

Students will receive all course materials, including the WEF Fundamentals Book I and II on the first day of class.

Due to the high cost of materials and limited registration spots, a 50% refund is available if the student drops out no later than Week 3 of the course. No refunds will be given after this date, for any reason.

Registering and attending this course DOES NOT guarantee the participant will pass the licensure exam.
