SYNC: The Education Leadership & Technology Conference
Where Strategy Meets Innovation

Leadership Alignment
Strategic sessions focused on bridging the gap between superintendent vision and tech implementation. Topics like data governance, cybersecurity frameworks, and sustainable infrastructure.
Innovation in Action
Showcases of districts that have turned technology plans into measurable student success. Think: real-world use cases, not theory.
Systems Thinking
Workshops on systems design, interoperability, and managing complexity at scale — the architecture behind innovation.
Culture of Connection
Peer-to-peer dialogues, superintendent roundtables, and cross-functional leadership meetups. SYNC's networking isn't accidental — it's engineered.

For more than two decades, the SAM DaRud Cup Golf Outing has brought together friends, supporters, and community leaders for a day where great golf meets a great cause. The 21st Annual DaRud Cup continues that tradition—combining friendly competition, generous giving, and just the right amount of bragging rights.

Players will enjoy a full day on the course, complete with contests, prizes, food, and plenty of opportunities to connect with fellow supporters of SAM. Whether you're chasing a low score, networking between holes, or simply soaking up a beautiful day outdoors, the DaRud Cup delivers an experience that's as meaningful as it is memorable.

Proceeds from the tournament directly support SAM's mission, helping expand access to education, programs, and opportunities across our community. Every swing, putt, and laugh on the course helps make a real difference.

Whether you're a longtime participant or joining us for the first time, the DaRud Cup is more than a golf tournament—it's a celebration of community, commitment, and a shared belief in what SAM makes possible.
