Bay City Brewing

627 Eighth Street

San Diego, CA

The GCSAA Conference & Trade Show will take place in San Diego, CA on February 3-6, 2025, and we will be returning to Bay City Brewing Co. for our joint social event. The cool brewery is a fantastic setting with our private venue being the rooftop bar overlooking the San Diego skyline. We will have craft beers, appetizers and hors d'oeuvres, a year-in-review slideshow and music playing through the speakers. We look forward to seeing everyone! Sponsorships will be available in the Fall!
