PBBA Webinar: Muffled Signals, Finding Businesses Before They're Listed

November 12, 2026 • 12:00 PM – 1:00 PM

Where: Online webinar (PBBA member portal)

Presenter: Josh Calcanis, Muffled Signals (PBBA Affiliate) Josh Calcanis of Muffled Signals, a new PBBA affiliate, presents an intelligent search engine for business buyers, brokers and private-equity teams. Muffled Signals uses public records to surface owner-operated small businesses that may be ready to sell before they reach the market, scoring each one for business health and sell likelihood. See how brokers ...
